ASPIRATIONS

My curiosity and enthusiasm has guided my passion towards sustainable and biophilic Architecture. My desire to design structures has benefitted from my expanding knowledge of AutoDesk and Adobe Creative Cloud. I aspire to design affordable residential architecture that inspires a connection with nature, community and a sustainable way of living.

EXPERIENCE

Architect Assistant 2019-Present

Stanley Studio // Austin, Tx // 2019-Present

- ◊ Drafted residential sheets and details in AutoCAD
- ◊ Utilized SketchUp to create concept models and test lighting within the space
- ◊ Construction Admin including RFIs, Submittal Responses, and Supplemental Drawings
- ◊ Created renderings for metalwork proposals
- ◊ LEED and AEGB documentation gathering and research
- ◊ General Marketing including Awards, proposals, and RFQs
- ◊ Exposure to sustainable design strategies like rain gardens, stormwater runoff etc.
- ◊ Redesigned website to be more efficient for visitors and future editors. Reduced needed webpages from over 100 to under 20.

Store Associate 2018-2019

Pier 1 Imports // Lakeline Location, Austin Tx

- ◊ Coordinated the setup and design of product displays
- ◊ Verified and organized shipments
- ◊ Contacted and Coordinated with other locations to locate or deliver products for customers
- ◊ Served as a design consultant for customer's home or event.

OTHER

VP of Social Media 2020-Present

Heart of Texas Orchid Society // Austin, Tx
